

### To Whom It May Concern

This reference letter is provided at the request of Student Sara Abdulrahman Yahya Bajarsh  
Student ID: 2219269.

I was her instructor for more than one course during her bachelor study. As her instructor and consulting professor, I would rate Sara's overall performance as great. This is evidenced by her grades and performance in the projects, exams, and other assessments.

Sara has a very positive attitude and truly embraces learning. Her senior project was one of the outstanding ones. It was submitted with complete and organized documentation. Based upon this, I rate her skills excellent.

Therefore, I highly recommend that you consider Sara's application, as she will be a great asset to your program.

In the case any information is required, please do not hesitate to contact me.

Sincerely,

Nouf Rahimi

Assistant Professor  
Software Engineering Department  
College of Computer Science and Engineering  
Vice Dean for Innovation and Entrepreneurship  
Deanship of Research and Innovation  
University of Jeddah
